But I Want To Fly!

How To Transform Past Pain, Shame & Regret Into Inspired Action Towards Your Dreams

- Have you ever wanted to do something "crazy," "stupid," or "impossible?"
- Do you have dreams hidden away, forgotten about, ignored, or avoided?
- Are you ready for more joy, freedom, fulfillment, and creative inspiration?

In this captivating keynote, "Superstar Activator" Michelle Villalobos takes the audience on an interactive adventure to show how optimizing for *inner alignment* over *outer objectives* generates better outcomes—in the long run.

Along the way, Michelle will help them bust through limiting beliefs, transmute fear, regret, and self-doubt, access inner wisdom, activate intuition, connect to their higher selves, and potentially make massive, game-changing breakthroughs in their work and lives.

Then Michelle gives them the process to do it again and again, whenever they want, on their own.

"It's never too late to dust off your DREAMS, and dive into your DESTINY."
